LIVING

A tall, dark wood cabinet with a vertical grain pattern. It has a simple, rectangular design with a flat top and four thick, cylindrical legs. On top of the cabinet, there is a collection of decorative objects, including a bronze sculpture of a seated woman, a white ceramic vase, and several small wooden containers.

A bronze sculpture of a seated woman, possibly a classical or modernist work. She is shown in profile, facing right, with her legs tucked under her. The sculpture is placed on a dark, rectangular base on top of the cabinet.

A light-colored, upholstered armchair with a simple, boxy design. It has a thick, textured fabric and a single cushion on the seat. The chair is positioned in the corner of the room, near the window.

A small, dark wood stool with a curved, hourglass-like shape. It has a flat top and a flared base. It is placed on the floor next to the cabinet.

A shaggy, light-colored rug with a thick, textured pile. It is placed on the wooden floor in the foreground, partially overlapping the base of the cabinet.

A large, multi-paned window with a white frame. The window is open, and natural light is streaming in, illuminating the room. The window is set into a wall with decorative paneling.

Post Storage Cabinet

Inspired by brutalism, the Post Storage Cabinet plays with volumes to present a remarkable storage solution with elaborate details that draw you in. Made from FSC™ Mix certified wood, the cabinet feature striped wood detailing in oak veneer that has been achieved through an intricate and time-consuming carpentry technique known as marquetry. Preserving the simple, artful expression of the striped front, the cabinet doors are opened and closed with a hidden mechanism to avoid any visible handles.
